

## Objective

It is my objective to obtain a choral music or History teaching placement where I can change students' lives through my passion for teaching music and history.

## Professional Profile

I am a graduate of Trevecca Nazarene University where I received a bachelor's degree in music education. I have since taken and passed all required Praxis II tests to be qualified to teach General Music, Choir, World and United States History. I am a highly motivated, goal oriented individual. I have been teaching for four years at Holloway High School, where I have been the Social Studies Department Chair all four years. I am currently leading a children's choir and a youth choir in the Nashville area.
